

## **Nomination Bios:**

### **Rob Jefferson:**

My name is Rob Jefferson, and I am honored to be considered for a position on the Property Owners Association Board. As a near future full-time resident and active community member, I am deeply invested in maintaining the safety, beauty, and property values of our neighborhood. I bring 40 years of professional experience in the corporate world as a Software Systems Programmer where I developed planning and problem-solving skills while working as an individual performer and a team lead. I also have 14 years of experience in various leadership positions in Boy Scouts of America, where I have developed strong skills in budgeting, planning, and problem-solving. These skills, I believe, are directly relevant to the responsibilities of the POA board. I have a collaborative mindset and a commitment to transparency, fairness, and effective communication. My approach is to listen carefully, seek practical solutions, and act in the best interests of the entire community. I support proactive planning and responsible use of association funds to ensure our community continues to thrive. Whether it's improving amenities, ensuring compliance with regulations, or fostering neighborly engagement, I'm ready to contribute time and energy to serve all property owners. Thank you for your consideration and support.

### **Jaxon Rogers:**

Hi, I'm Jaxon Rogers, and I love the opportunity to serve on our HOA board. I work from home as a project manager, which gives me the flexibility to stay involved and available when things come up in the neighborhood. I'm originally from the Texas Panhandle, but I've always loved this part of the state. My wife and I are excited to make this our forever home as we raise our 3-year-old daughter here. In our free time, we enjoy being outside whether it's working in the yard, playing a round of golf, or cooking out together. I'm running for the board because I care about helping shape the future of our neighborhood as it grows. I believe in common-sense decisions, open communication, and making sure everyone's voice is heard. I'm organized, reliable, and always willing to listen and help where I can. Thanks for considering me to be honored to represent our community on the board.

### **Tisha Crow:**

Tisha D. Crow is the proud owner of the 5-acre property located at 312 Gilmore Ct. and a committed member of the Star Hollow community. A graduate of the University of Texas at the Permian Basin, she holds a Bachelor's Degree in Mass Communications and brings over two decades of leadership, business ownership, and public service experience. Tisha is the owner of Crow Insurance Agency in Odessa, Texas, which she has successfully operated for 22 years. Her entrepreneurial endeavors also include CF Premium Finance Company, which provides financing solutions for insurance premiums, and JKC Futures, a property management firm. Her diverse business experience has equipped her with practical knowledge in operations, finance, customer service, and regulatory compliance skills that directly support the responsibilities of an POA board member. In addition to her professional work, Tisha has a long-standing record of civic engagement. She served as the County Chairman of the Ector County Republican Party for 16 years and currently holds a position on the Texas State Republican Executive Committee, the governing board of the Republican Party of Texas. Tisha and her husband Kris have been

happily married for 31 years. They are the proud parents of two daughters: Jaden Crow, a graduate of Tarleton State University, and Julianna Crow, a graduate of East Texas A&M University. Tisha is passionate about protecting property values, promoting responsible development, and ensuring transparent communication between the board and residents. She values the peaceful, neighborly spirit of Star Hollow and is committed to preserving the community as unique character while helping it thrive.

**Miranda Sweeney:**

My name is Miranda Sweeney and I am proud to call the Ranches at Star Hollow home. I live here with my husband, a dedicated Hood County K9 officer and investigator, and our three children. We love being part of the community and are invested in its continued growth, safety, and neighborly spirit. Professionally, I work at LGMC as a sonographer, where I work closely with those in our community daily. My experience has strengthened my relationship with our community, communication and problem solving as well as organizational skills - all of which are vital in effectively serving on an HOA board. Community involvement is important to our family. My husband and I have both volunteered for TYAA - he for football and I for cheer. Our children are also active in FFA and various local sports, which keeps us connected to local events and families. If elected, I will work hard to ensure our community remains safe, welcoming, and well-maintained, with open lines of communication between the board and residents. I believe in fairness, transparency, and being a voice for all homeowners. I'd be honored to serve our neighborhood.
